## Recap - A3F Summer Bash - 2014

What a night! Thank you to everyone who attended the A3F Summer Bash last night and helped us raise money for our Scholarship Fund! An enthusiastic crowd of 108 people laughed and cheered for the 16 amazing short films.

The evening got off to a rousing start when A3F volunteer Nancy Chong-Hogan launched 26 A3F T-Shirts to first-time attendees in the crowd, nearly taking a few heads off with her spirited throws! The excitement grew even louder when we announced a spontaneous decision to order pizza for everyone after the screening!

The After-Party began at 9p.m. with Chloe Tang singing original songs mixed in with delightful covers as people mingled and mixed. A3F Assistant Director Jason Francois made the rounds with his Mini-Poloroid camera taking funny pics of everyone in attendance.

We screened 16 films from past A3F Film Challenges that placed in the Audience Top 3. Comedies, dramas and entertaining films to make you laugh, cry and cheer independent filmmaking in Arizona.

"Thanks to the talented Chloe Tang for providing our After party music with your singing and guitar. And thanks to Jason for ordering pizza and making this a night to remember!" --
