

THE A3F

ALMOST FAMOUS FILM FESTIVAL

RECAP - 72 HOUR "ONE-SHOT | ONE-ANGLE" 2024

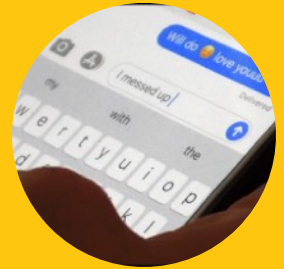

Continuing the momentum from February's amazing festival, we decided to host a Fall Film Challenge with a bit of twist, teams had to choose between a One-Shot or a One-Angle. And the results were super creative!

"We ended up with 13 one-shots and 8 one-angles in our Top 20," said Jae Staats, A3F Director. "I thought the teams really embraced this added guideline and made some very entertaining films."

This challenge drew 30 teams from across Arizona and California with twenty-five teams beating the deadline. The Theme was "a Memorable Moment," Line of Dialogue, "Things like this take time." and the Prop was a photograph where a character had to take or show off a photo.

With over 200 people attending the Top 20 Screening at AMC Arizona Center 24 Theatres, it was a celebratory mood as the audience cheered on the filmmakers, cast and crew members who made all of these films possible. Awards were given out and a fun time was had by all!

"I really appreciate you putting your heart and soul into organizing the festival and you make it look so easy." — **Indrakshi Warikoo**
